

DOCTORnow VIPi MEMBERSHIP FEE (fees valid until 31st October 2019)

The VIPi Assurance Plan is designed for patients who have private medical insurance that covers the cost of Private GP and Nurse consultations. With access to our out-of-hours telephone number, VIPi members are entitled to free telephone consultations and administrative support including prescriptions (medication charges apply). Services are charged on the day at Pay-As-You-Go rates which are later reimbursed to you by your insurance company. Home visits are only available to qualifying members who live within our catchment area.
